UNIVERSITY OF
TORONTO

WHAT I DO

- **TSpace Repository** - tspace.library.utoronto.ca
 - U of T open access research repository
 - Preserves and showcases faculty and student research
 - Official repository for Tri-Agency OA policy compliance
 - Assisted deposit for Tri-Agency funded materials
- **Journal Production Services** - jps.library.utoronto.ca
 - Free open access journal hosting & publishing system
 - Supports faculty and student-led journals
- **MyMedia** - mymedia.library.utoronto.ca
 - Video storage and streaming system for faculty, students, and staff
- **Old Exams Repository** - exams.library.utoronto.ca
 - Last 3 years of exams from FAS, UTM & UTSC

WHAT I WANT FACULTY TO KNOW

- You receive funding from CIHR, NSERC or SSHRC:
 - OA policy in effect since May 1, 2015
 - Compliance consultations and assistance are available
- You would like to make your research or pedagogical materials (including unpublished) openly accessible online
- You would like to know more about OA publishing or start your own journal

HOW I CAN HELP LIAISONS

- I can help you talk to faculty about:
 - Tri-Agency OA Policy compliance (info sessions, consultations, targeted step-by-step guides)
 - Open access publishing (journals, repositories)
- Outreach materials to download and share:
 - Brochures, guides, handouts to print out
 - Step-by-step videos, Help and FAQ pages
